

# SUBWAY 2.0

## Harmony in form and function

Subway 2.0 makes an everyday item something special. Simple yet warm, practical yet interesting – a fresh tap fittings range that achieves the perfect balance between design and function and intuitively fits into any bathroom.

### Design

- + Basin mixer: Smooth design of the front of spout
- + Basin mixer: Contemporary form of the tap body
- + Design language: With timeless and natural design, Subway 2.0 leads the fashion of metropolitan life
- + Combination of simple geometries with straight, clear lines

### Assortment

- + 3 models of washbasin taps, no three-hole-basin mixer
- + Bidet tap
- + 3 models of shower mixer
- + 4 models of bath taps
- + Universal shower fitting

### Recommended Mix & Match
