

# Architectura Square

Geometric design all along the line

Pleasantly square-shaped design lines for a metropolitan look in the bathroom. A delicate hint of gentle, square edges to create an undeniable blend of comfort and urban design.

## Design and function

- + Contemporary square design in 4 finishes
- + Convenient height for tap fittings in combination with surface-mounted washbasins
- + Integrated Easy Clean aerator to facilitate removal of water residues.
- + With air bubbler for a lovely sensation despite eco-friendly use of water.
- + Intelligent use of water with a sustainable water flow limited to 5 l/min.

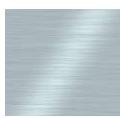

## Range

- + Large selection of washbasin solutions
- + In-wall mixer with 1 or 2 functions
- + Surface-mounted shower and bath mixer
- + Bath spout
