

OCTAGON

A masterpiece of precision

Octagon is Villeroy & Boch's exclusive design highlight. An absolute masterpiece of precise craftsmanship: The innovative material TitanCeram was used to render an octagon in ceramic form.

Consummate elegance

- + Floor-standing pedestal washbasin in an exquisitely delicate design
- + The ultimate in ceramic expertise
- + Represents everything the innovative TitanCeram stands for: exact angles and precise facets in perfect ceramic form
- + Special design features: octagon and facets
- + Integrated ceramic valve
- + Colour: Edelweiß CeramicPlus

The materials

- + Top quality pedestal finish: leather, real wood veneer or the innovative stone veneer
- + Elegant decorative ring: Copper
- + Totally flush finish: each element is perfectly coordinated
