

LE VALENCE universal and timeless

With new surface CeraSoft – the soft side of ceramics

Le Valence is the perfect shower tray. It fits universally into your shower/bath area as it is completely rimless. Thanks to its low-profile design, the whole family can enjoy a relaxing shower - for years to come. Le Valence is manufactured in France and made of natural ceramic, a sustainable and recyclable material. With the new innovative surface structure CeraSoft, the ceramic gives an even more pleasant feeling.
