

## MY VIEW-IN

### A mirror with a hidden secret

My View-In completes the successful range of My View mirror cabinets with a new solution that fits into a recess in the wall. My View-In blends harmoniously into the bathroom design while elegantly concealing the storage space.

#### The highlights of My View-In

- + The mirror cabinet is fitted practically flush in the wall
- + Available with 2 or 3 doors, in 5 sizes ( from 600 mm to 1300 mm)
- + Generous amount of storage space thanks to a body depth of 100 mm
- + Mirrors on the inside and outside of doors
- + Innovative integration of the light source (LED) horizontally within the body of the cabinet
- + 3-step dimmable LED lighting and freely-adjustable light colour from Warmwhite to Coolwhite (Emotion)
- + Extensive range of accessories: height-adjustable glass shelves, 1-2 sockets, magnifying mirror and magnetic strip
- + Made in Germany/Austria
- + Available in DACH and UK
- + DACH: from 1200 mm with 2 sockets
- + UK: with 1 socket. Exception: 1000 mm without socket
