

## o.novo start

The better alternative

Slim contours and flowing transitions are the hallmarks of the universal o.Novo Start design. An eye-catching feature in a modern bathroom that impresses with perfect Villeroy & Boch quality at an attractive price point.

### Design and functions

- + Lever and spout coordinate perfectly with the o.Novo Start ceramic design
- + Easy cleaning and removal of limescale with a finger
- + Pleasant water flow by adding air – even with sparing use of water
- + Consistent water flow even in the event of variations in pressure
- + Environmentally-friendly limitation of water to a maximum of 5 l/min – with no loss of performance
- + Attractive price point with universal design

### Assortment

- + 6 washbasin faucets
- + 2 thermostatic concealed bath / shower faucets
- + 2 thermostatic exposed bath / shower faucets
- + 1 bath spout

### Finishes

61 Chrome
