

SUBWAY 2.0

As diverse as life itself

The Subway 2.0 mainstream Subway 2.0 offers diverse combination possibilities for individual bathroom furnishings. The extensive range, with washbasins in numerous dimensions to choose from, suits rooms of any size: meaning that even smaller rooms can be used to optimum effect.

Washbasins

- + Simple design for maximum aesthetic requirements
- + Broad range of washbasins
- + Variety of models especially for small bathrooms and cloakrooms
- + Generous and comfortable surrounds

WCs and bidets

- + Wall-mounted, floor-standing and compact variants
- + DirectFlush WC with open flushing rim for quick and easy cleaning
- + Concealed SupraFix 3.0 attachment system
- + SlimSeat and standard WC seat available – both with QuickRelease and SoftClosing

Bathroom furniture

- + Furniture to match the washbasins with recessed handles in the front
- + Lots of storage space and clever interior compartments
- + Washbasin vanity units divided into 1/3 drawer and 2/3 pull-out compartment
- + Large range of models and colours
- + Handles either in silver-coloured matt or chrome-coloured gloss
