

VICLEAN APP

The app for your ViClean-I 100 shower toilet from Villeroy & Boch

The ViClean-App is the easy and convenient way to operate your ViClean-I 100 shower toilet. The app features a remote control function and various setting options. The available settings are: Setting of temperature, shower spray modes, nozzle position and jet pressure. The gender-specific user interfaces help you to control the options which are relevant for you.

Additional advantages of the app

- + Adjustable temperature settings
- + “HarmonicWave” and pulsating jet can be selected simultaneously
- + Separate gender settings and gender-specific interfaces
- + Very simple and intuitive to use via touchscreen

Personal user profile with automatic save function

- + Your personal settings can be stored in user profiles for retrieval at any time
- + You can further individualise these profiles by saving them under your name, for example

Other options available via the “Settings” menu

- + Select the toilet under “Devices”
- + Select “Nozzle Manual Cleaning” function to manually clean the nozzle or replace the nozzle head
- + Switch sound on or off

Availability of the app

- + The app is called “ViClean” and can be downloaded from the Play Store or App Store
