

# JOYCE

## Always new, always different, always Joyce

Individualisation continues to be one of the greatest trends of the present day. And this is what Joyce, the new mainstream collection, is all about. It's the first bathroom with APPs.

### Washbasins

- + Washbasins available in 3 sizes, each with or without APP surface
- + Practical, circular bowl
- + Can be personalised by the positioning of the tap fittings, soap dispenser, coloured dots & APPs
- + APPs in different sizes and shapes, e.g. as stackable bowls

### WCs and bidets

- + Wall-mounted and floor-standing variants
- + Most lightweight, closed WC in the range
- + DirectFlush WC with open flushing rim for quick and easy cleaning
- + Invisible attachment thanks to SupraFix 3.0
- + SlimSeat and standard WC seat available – both with QuickRelease and SoftClosing

### Bathroom furniture

- + Vanity units fit flush with the ceramic and with the front of the recessed handles
- + Multifunction cabinet with storage space and clever functions, such as sockets and an integrated waste bin
- + Great colour variety: 8 classical colours and 4 modern Joyce Touch shades
