

# LA BELLE

## A new sensuality

Elegance is more than just beauty. It is also the portrayal of timeless sensuality. La Belle tempts with its elegantly curved lines: it's all that dreams are made of – in a bathroom full of sensuous details. This harmonious interaction forms the soul of the collection and creates an unusually striking design.

### Sanitaryware

- + Elegantly curved lines and sensuous details are reflected in the La Belle ceramics
- + Along with the existing washbasin models, the new surface-mounted washbasin emphasises the design of the bath and adds specific highlights in BiColour Coal Black
- + BiColour look: Glaze of outer surface in Coal Black, the interior contrasts perfectly in White Alpin
- + Ceramic valve for practical aesthetics
- + Wall-mounted toilet features the invisible SupraFix 3.0 fastening system

### Bathroom furniture

- + Delicate furniture in exquisite craftsmanship in Brilliant White Glaze
- + Drawers with SoftClosing
- + Mirror with striking floral design

### Wellness

- + High-quality Quarryl® bath for spacious and ergonomic bathing comfort
- + Freestanding variant with apron in White or Graphite Noir
- + Other colours available with Colour on Demand
- + Also available as a monolithic one-piece or built-in variant
