

Theano Curved Edition

Stunning elegant

With the new Theano Curved Monolith bathtub, we complete our product range of sought-after freestanding bathtubs made of Quarryl® and offer another shape and size of the successful Theano Original Edition. Ideal for bathrooms that need to look modern and timeless even after decades, the iconic Theano design makes the Theano Curved Edition a design icon in the bathroom.

Wellness with Curved Factor

- + Highlight and eye-catcher is the raised backrest and filigree noble facet cut on the tub edge
- + Asymmetrical, minimalist design
- + Available in the colors Alpine White, Stone White and Grey as well as optional Color on Demand
- + Available in size 170 x 75

Features that Inspire

- + Optionally with ViFlow - the particularly beautiful drain with insible overflow function
- + Optional with Push-to-Open drain valve
- + Optional Silent Flow for particularly quiet bathtub filling from below
- + Ergonomic bathing comfort wrapped in a natural shape
- + Quarryl® - high-quality natural material, gentle on the skin

Silent Flow

- + Silent Flow is integrated in the bottom and thus enables particularly quiet bathtub filling
- + Fast bathtub filling from below with up to 20 l/min.
