

SUBWAY STYLE SHOWER

As diverse as life itself

Subway Style Shower is a valuable addition to the Subway Style family which opens up a wealth of options for a sink area that is on-trend and functional in one. Available in the popular finishes solid stainless steel and anthracite, the tap fitting boasts an exquisite conical design. Together with a Subway Style sink it is the perfect combination in any kitchen.

Design

- + Attractive conical tap body with seamlessly integrated exquisite outlet
- + Elegantly sliding new lever

Functions and features

- + Pull-out, hand-held spray with two spray modes: spray jet, laminar jet
- + Laminar jet for washing fruit and vegetables without splashing
- + Effective cleaning of pots and pans with the spray jet
- + Flexible installation at the sink thanks to the 360° swivel range of the tap fitting
- + “Comfort Plus” height makes it easier to clean large pans, pots and baking sheets or to fill large vases
- + Robust stainless steel body provides for emission-free drinking water which is neutral in taste
- + High-quality PVD coating resistant to scratching and knocks

Range and accessories

- + Finishes: Solid stainless steel, Anthracite
- + Available as high- and low-pressure variants, each in both colour options
