

Junis

The new all-rounder for a timeless kitchen. All-rounders are always a boon – especially in the kitchen. The flexible shape, the pull-out, hand-held spray with two spray modes and the two height variants make Junis a prime choice every time. The modern and user-friendly tap fitting suits many different lifestyles and kitchen scenarios. From washing fruit and vegetables without splashing to efficient cleaning of pots, pans and even baking sheets, Junis ticks all the boxes.

Design
