

EASYACCESS

The Push & Pull siphon with receptacle

Technical functions

- + Siphon with removable trap and receptacle
- + Push-open valve
- + Suitable for all washbasins with overflow and for combination with tap fittings without pop-up waste

User benefits

- + Easy to clean: siphon is easily accessible from above
- + Integrated receptacle: earrings or other jewellery accidentally dropped in the bowl are no longer lost

Applications

- + Optional accessory especially for washbasins with trap cover or vanity unit
- + For use with all collections
- + Recommended for the Architectura, Joyce, Memento, Omnia Architectura, O.novo, Subway, Subway 2.0, Venticello and Vivia collections
