PROJECTS REFERENCE RADISSON BLU RESORT, BUKOVEL

The hotel's 252 spacious rooms, including Junior Suites, Spa Suites and a Presidential Suite, were designed in an Alpine style and feature beautiful views of the Carpathian Mountains. Each room includes a terrace area, walk in wardrobe and world class modern facilities including Villeroy & Boch fittings. Known for being specified in top hotels and resorts in Europe and around the world, Villeroy & Boch products were also specified throughout the resort's 2000 square meter wellness and spa centre. Meeting the demands of the most discerning guests, the centre's facilities include a swimming pool, Finnish sauna, bio sauna, gym with technology equipment and stateoftheart kid's zone.

As an emerging holiday and recreation location, achieving high design and finishing quality along with a five star designation has been key in helping put Bukovel, and the Ukraine, on the map as a world class destination.

'We are very proud to receive this (five star) certification in the Ukraine,' say Peter Tichy, the Managing Director of Radisson Blu Resort, Bukovel. 'It is good for the brand awareness of Radisson Blu to have such a property of high quality and standard in the important market of Ukraine. Moreover, the status of a five star hotel is a confirmation that every guest will get quality accommodation, full infrastructure and high level of service, which we develop in accordance with our concept 'Yes, I can!'
