# PRODETECT 2 by Villeroy & Boch

## The urinal flushing control with app for maintenance

### Product Features

+ easy Plug and Play installation: after installation ready for use

+ possibility of diagnostic and function control via PC or smartphone thanks to bluetooth

+ can be combined with 7 urinals

+ modular system: can be adapted individually, optionally powered by battery or by an external power supply and with or without bluetooth adapter

### Efficiency

+ automatic flushing for high frequence use, water saving mode and hygienic flushing

+ Stadium mode, water-saving mode and hygiene flushing

+ reliable protection against overflowing

+ high performance flushing with up to 0,3 liters per second

### Friendly Maintenance

+ the normally required removal of the urinal form the wall for maintenance is no longer necessary thanks to bluetooth

+ App works on iOS and Android devices
