

ANTHEUS

Distinctly elegant

The Antheus collection reflects the style classics of the Modern age. Premium materials and Art Deco-style geometric contours meet the purist beauty of Bauhaus design. The unique facet cut on the washbasin, toilet and bath adds a touch of graceful lightness to the collection. Be inspired by the magnificent elegance.

Ceramics

- + Surface-mounted and vanity washbasins feature striking faceted details thanks to the innovative TitanCeram material
- + Elegant toilet fitted with the latest technology: DirectFlush, SupraFix 3.0, SoftClosing and QuickRelease
- + Available in 3 elegant white shades (CeramicPlus): White Alpin, Star White and Stone White
- + An exclusive platinum décor is applied by hand to the Art Décor washbasin

Bath

- + Free-standing bath made from Quarryl® in 2 sizes
- + Elegant facet cut on the rim as well as a shiny stainless steel frame based on the sophisticated design of a diamond ring
- + Available in the colour of your choice thanks to Colour on Demand
- + Flexible overflow design with the particularly attractive, concealed ViFlow+ overflow function

Bathroom furniture

- + Stylish marble panel combined with an elegantly curved, high-gloss steel frame showcases the surface-mounted washbasin
- + Vanity units with an optional stainless steel frame in 2 real wood veneers
- + Complementary furniture as well as the mirror with a solid wood frame round off the collection with high-quality details
