

FINION

Achieve your aspirations

What better place to impressively showcase your personal style than in your own bathroom? With premium materials such as TitanCeram ceramic, versatile furniture lending itself to a wide range of combinations and clever features, this unique collection sets new standards for aesthetics and well-being. Finion – achieve your aspirations in your bathroom.

Ceramics

- + Wide range of design options with three different washbasins (vanity, surface-mounted and wall-mounted)
- + Minimalist design combined with exceptional strength thanks to the use of TitanCeram
- + Flush-fitting ceramic valve with optional ViFlow outlet and overflow
- + Modern, wall-mounted DirectFlush toilet with matching Finion toilet seat and bidet

Bath

- + Free-standing bath made from the finest Quaryl® with edges that are only 15 mm thick
- + Combines compact dimensions with a generous internal surface
- + Optional decorative strips in stylish metallic shades as well as all-round ambient lighting

Bathroom furniture

- + Modular furniture leaves plenty of scope for individual bathroom design
- + Continuously dimmable furniture and shelf unit lighting creates a cosy atmosphere
- + Handleless purist design thanks to the latest Push-to-Open technology
- + Paint and veneer surfaces in many on-trend colours
- + Can be combined with other washbasins from the Artis, Collaro and Memento 2.0 collections
