

SUBWAY STYLE

As diverse as life itself

What better showcase for individual style than one's own kitchen! The kitchen sink offers plenty of scope for individual touches. It comes in a broad range of colour options and sizes to suit all manner of needs and looks. Subway Style features all the benefits of ceramics: The sink is easy to clean and resistant to heat, scratches and knocks. And its thin-walled ceramics lend it a timelessly attractive appearance.

Ceramic sink

- + Diverse design options for surface-mounted or flush-fitting installation
- + For undersink cabinet widths of 60 cm and 50 cm
- + Clear design and highly functional ceramics
- + Tap hole surface is a practical shelf for washing up accessories
- + Large bowl offers plenty of space for cleaning large pots

Subway Style 60 S´

- + Single bowl with ingenious details: Narrow all-round step in the ceramics as a user-friendly feature creating an additional functional level
- + Smart accessories for maximum convenience: Draining rack, strainer bowl and oak cutting board - can all be slid together to save space

Colours

- + Available in 13 lightfast colours, to match the kitchen furnishings

Accessories

- + Wide selection of tap fittings available, also in the new on-trend colours Anthracite, Gold or Bronze
- + Compatible with practical accessories such as soap dispensers, wire baskets, strainer bowls, draining racks or a Cap outlet cover
