

SUBWAY STYLE

As diverse as life itself. What better showcase for individual style than one's own kitchen! The Subway Style kitchen sink offers plenty of scope for individual touches. It comes in a broad range of colour options and sizes to suit diverse needs and style. Subway Style features all the benefits of ceramics: The sink is easy to clean and resistant to heat, scratches and knocks. And its thin-walled ceramics lend it a timelessly attractive appearance.

Ceramic sink

- + Diverse design options for surface-mounted or flush-fitting installation
- + For undersink cabinet widths of 60 cm and 50 cm
- + Clear design and highly functional ceramics
- + Tap hole surface is a practical shelf for washing up accessories
- + Large bowl offers plenty of space for cleaning large pots

Colours

- + Available in 13 lightfast colours, to match the kitchen furnishings

Accessoires

- + Wide selection of tap fittings available, also in the new on-trend colours: Anthracite, Gold or Bronze
- + Compatible with practical accessories such as soap dispensers, wire baskets, strainer bowls, draining racks or a Cap outlet cover
