THE METROCHIC BLANC COLLECTION

## MODERN SHAPE OF WHITE

Pure, reduced design meets Villeroy & Boch Premium Bone Porcelain. The essence of this collection is modern understatement, making it a must-have for minimalists. It focuses on the form by featuring contemporary coupe shapes and surprisingly asymmetric saucers. Consequently, MetroChic blanc blends into modern urban living spaces in a timeless and elegant fashion. It makes the perfect elegant gift and forms the best basis for new and stylish combinations - with MetroChic decor as well as MetroChic and MetroChic d'Or cutlery ranges.

## SHEER VARIETY

The minimalist yet exceptional design of the MetroChic blanc can also be beautifully complemented by the geometric patterns of the MetroChic collection. Create new statement looks full of cosmopolitan flair and modern elegance by individually combining fine gold & black decor with pure white of MetroChic blanc.
